The faces and activities of FCHS are many and varied. Expressions of anticipation, excitement, sorrow, and joy, all reflect you - the student body.

We have attempted to record the highlights of the past school year. It is our desire that the 1969 Golden Memories will serve as a hallway through which your memories of Fayette County High School will pass.

MERLIN O. POWERS - Principal

Seniors:

Many times it has been my privilege to stand before you and challenge you to keep plugging until the task was achieved with unequalled satisfaction.

Some of you have known the satisfaction of doing your best in sports, the joy of excelling in class, the wonderful feeling of completing a job, and looking back on it and knowing that you have done your best. Again I remind you there is plenty of room at the top, but no room to sit down.

Graduation is only a beginning. Tomorrow you will be faced with a different challenge - one that only death will terminate.

Here's hoping that we have prepared you well, and that you may stand shoulder high with anyone and say with pride, "I am an alumnus of Fayette County High School."

Sincerely,

Merlin O Powers

Varsity Football

To brag little, to lose well,
To crow gently if in luck;
To pay up, to own up,
To shut up if beaten,
Are the virtues of a sporting man.

Few of us are faster than a speeding bullet, more powerful than a locomotive, or able to leap tall hurdles at a single bound; we are not supermen, but sportsmen. We play to win, but even more, just because we love to.

Student Council

Fayette County High's slogan for 1968-1969 was "The Pathway to Greatness." The Student Council did much to fulfill this goal as it engaged in many activities to further the welfare and attitudes of the students, faculty, administration, and community.

With some of our finest athletic teams in years, school spirit was lifted by spirit contests and the sponsoring of student buses to events away from home. Students were given more voice by means of a suggestion box, and a student directory was printed as a service.

A mock election was held on November 5 to prepare the students for their future role as citizens, and their present role was emphasized later in the year as former Governor Carl Sanders was brought in to speak.

Many students were introduced to Christ in council-sponsored programs for this purpose, and the real facts concerning the dangers of smoking and other practices were presented. These activities and many others undertaken by the Student Council helped lead F.C.H.S. a few more steps along the pathway to greatness.

F.T.A. Pledge

The good teacher requires:

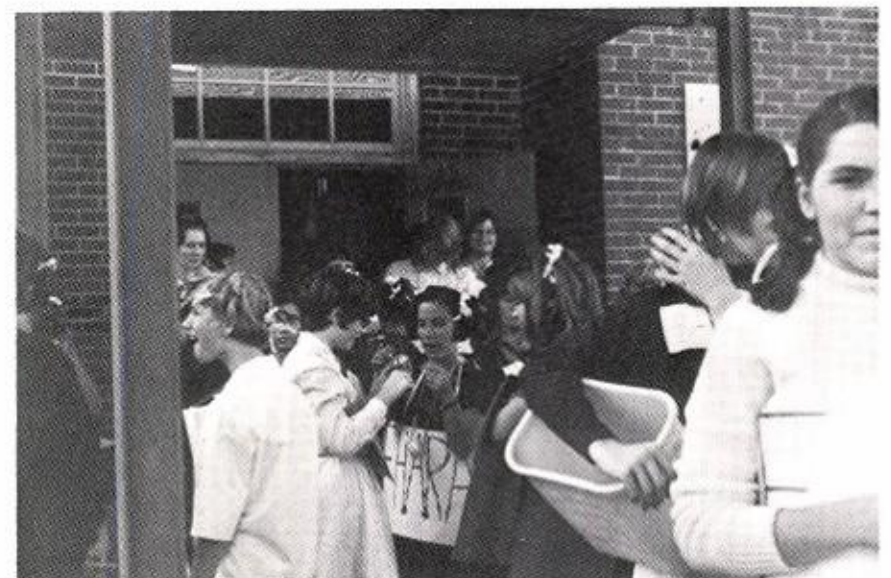

- | | |
|---------------------------------|--|
| PHYSICAL VITALITY - - - - - | I will try to keep my body well and strong. |
| MENTAL VIGOR - - - - - | I will study daily and keep my mind active and alert. |
| MORAL DISCRIMINATION - - - - - | I will seek to know the right and to live by it. |
| WHOLESOME PERSONALITY - - - - - | I will cultivate in myself good will, friendliness,
poise, upright bearing, and careful speech. |
| HELPFULNESS - - - - - | I will learn the art of helping others by doing helpful
things daily in school and at home. |
| KNOWLEDGE - - - - - | I will fill my mind with worthy thoughts by observing
all that is beautiful in the world around me, by read-
ing the best books, and by association with the best
companions. |
| LEADERSHIP - - - - - | I will make my influence count on the side of right,
avoiding habits that weaken and destroy. |

These things will I do that I may be worthy of the high honor of membership in the Future Teachers of America.

It has been a pleasure for me to assist the annual staff members who have worked so diligently to recapitulate the events of the 1968-69 school year.

I appreciate the cooperation that we received from the non-staff members who unselfishly relinquished their free time in helping us to produce the 1969 GOLDEN MEMORIES.

Mrs. Deloris Askew
Advisor

*Best wishes
to a fine co-
worker!

THE LINESMAN

Upon the storm swept cross arm
Where the winds blow wild and free
A cowhide belt and a chip of steel
'Twixt him and eternity
When the thunder peals o'er the treetops
And the lightning gleams on the hills
It's then his work is awaiting him
And he gets plenty of thrills,
When folks in houses cringe and shake
Before the storm has passed
He handles death at his fingertips
To make the hot wires fast,
One slip of the hand and he's gone
To at least long days of pain

But let him out and sure as sin
He'll be up a pole again,
There's times he holds in his hands
The life of a pal he loves
And prays that he fail not in his trust
By flaw in his rubber gloves,
For all o' that he's a common guy
And very much carefree
And he'll stick to you through everything
Best pal you ever did see,
So sometimes in a thunderstorm
When everything goes black
Just think of a poor guy working hard
To get those hot wires back.

PRAYER ON THE SQUARE

There once was a time
when a square was okay
To play square with your fellows
was the right way to play
To eat a square meal
meant really to dine
To give a square deal
was a deal that was fine
To be a square shooter
meant to be a right guy
If your word was your bond
you looked square in the eye
You stood four-square
if you stood for the right
You were square with the world
if everything was all right.
And then something happened
to this finest of words
It was twisted and warped
by some curious birds
And a slur was concocted
in a strange sort of way
To slap at the youth
who are saving the day
And one was termed square
if he broke from the crowd
If he chose to be quiet
when the gang became loud
He was square if he worked
when the others sat down
Even square if he swam
while the others would drown
It is square to be different
it is square to aim high
He's square if he's truthful
when it's easy to lie
A square will drive slow
when the gang yells for speed
A square will stick firm
to his beliefs and his creed.
And thus you will know
why this is my prayer
Oh, Lord, bring about
the return of the Square!

by: ROBERT L. SANDERS
Assistant Superintendent
Louisville Public Schools

Dear Mrs. Allen,
 I don't really
 know where to begin.
 It is very difficult for one
 to put his feelings down on
 paper. You will never really know
 how much I have appreciated you this
 year. As you know, my grandmother passed
 away last fall of 1968. This may seem silly
 to you, but you have been the place of my
 grandmother. Although no one will ever actually
 take her place, but you have been able to take
 her place; - you will. You are the most under-
 standing teacher I have ever known. You have
 helped me not only learn, but you have
 but in my everyday life as well. I just want
 to thank you for being yourself. Have a nice
 summer.

Well, you've now seen the 1969 GOLDEN
 MEMORIES. There are many mistakes, and
 for those we apologize, but we've worked hard
 trying to record the events and happenings of
 this year.

We would especially like to thank Mrs.
 Askeu whose experience and cooperation
 made this book possible; also, Mr. Young who
 made our senior pictures and braved the tem-
 permental rain storm while photographing the
 Homecoming activities.

We sincerely hope that you like this an-
 nual and that it holds for you many pleasant
 memories of Fayette County High School.

Randy Allen and Len Trammell,
 Editors

All my love,
 Linda Joyner

Mrs. Belu (the sweetest teacher in the whole world).

I want to tell you how much I have enjoyed this year in the Library and I hope to be in here next year too. You have been so nice to me that I considered you a second mother. I hope your son, Steve, gets home alright and if he doesn't get home soon, may he write to you every week. Have fun this summer and be good. Lots of luck and Best Wishes.

P.S. See you next year.

Love always,
Denise Lamb

Mrs. Belu,

you are ~~the~~ one of the
sweetest teachers that I have
had the pleasure of having
this year. I hope Steve
comes home safely and
I hope that you have
a nice summer.
Have ~~fun~~ fun and be
good.

Love always,

Paula
